Definition

1. A no-show occurs when a trip is scheduled and the customer does not take the trip and/or has not canceled the trip at least two (2) hours ahead of the scheduled pick up time.

ADA Complementary Paratransit No-Show Policy

1. Passengers must cancel unwanted trips through the TACT office at least two (2) hours prior to their negotiated pick-up time.
 2. Passengers must be ready to ride, waiting at the address used in scheduling their trip
 3. If a TACT vehicle arrives on time for a scheduled pick-up and after waiting five (5) minutes the rider is not present, or decides not to take the trip, the rider will be considered a no-show.
 4. On time is defined as when the vehicle arrives no more than 15 (fifteen) minutes before or 15 (fifteen) minutes after the negotiated pick-up time. If a vehicle
-

arrives early, the rider is not obligated to board until 5 (five) minutes before the earliest negotiated pick-up time.

5. Even though an individual may fail to contact TACT to cancel a trip, the return trip will not be automatically cancelled. The return trip will remain in the schedule.
6. TACT can impose sanctions for a pattern and/or practice of no-shows, as listed below.
7. Trips missed by riders for reasons beyond their control will not count in assessing no-show sanctions. However, the customer must inform TACT about such circumstances.
8. TACT will track and document all customer no-shows in Ecolane (TACT's reservation software). TACT will notify the rider in writing and provide a list of the no-show trips incurred.
9. Customers have the right to appeal or dispute TACT's no-show findings.

No-Show Policy Penalties

TACT can impose sanctions for a pattern and practice of missed trips by a customer. A pattern or practice involves intentional, repeated, or regular actions, not isolated, accidental, or singular incidents.

Overview

1. A review of a rider's no-shows will occur if there are three (3) or more no-shows within a 30-day period.
2. A sanction will be imposed if more than 50 (fifty) % of all trips scheduled during that period were no-shows that were not beyond the rider's control. (*Examples of instances beyond a rider's control may include isolated situations involving a sudden family emergency or a sudden health problem, unexpected failure of assistive device such as wheelchair, admission to hospital, etc.*) Riders should be prepared to provide documentation to support their claim.

Penalties

1. After one (1) no-show, TACT will issue a documented written warning to the rider with a copy of the ADA Complementary Paratransit No-Show Policy.
2. After two (2) no-shows within a 30-day period, TACT will again issue a documented written warning to the rider.

3. After three (3) no-shows within a 30-day period, AND if more than 50 (fifty)% of all trips scheduled during that period were no-shows that were not beyond the rider's control, a one-week (7 days) suspension of service will occur. TACT will document the suspension beginning and end dates in a letter to the rider along with the appeal process.

Appeal Process

Any rider suspended for violation of the TACT ADA Complementary Paratransit No-Show Policy is permitted to appeal the suspension decision and present evidence and arguments in person and/or in writing.
